RESPONSE TO SUPPLEMENTAL COMMUNICATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Supplemental Office Action of August 20, 2003, Applicants respond as follows. This Supplemental Office Action reset the time for responding to the Office Action of February 10, 2003 to restart from three (3) months from August 20, 2003.

In response to the Office Action of August 20, 2003, Applicants wish the Examiner to consider the response filed on June 10, 2003 as responsive thereto. Specifically, an Office Action was originally issued on February 10, 2003. Applicant filed a response on June 10, 2003 with a one-month extension of time. A copy of this response is enclosed herewith and should be used for responding to the Supplemental Office Action of August 20, 2003.

Based upon a review of PAIR, it does not appear that the U.S. Patent Office has entered the response filed in June 10, 2003 into the above-identified application since a Notice of Abandonment appears to have been issued in this case. A copy of the date stamped receipt card is enclosed herewith to evidence receipt of this response. The

Notice of Abandonment is incorrect for two (2) reasons since Applicant did respond timely to the February 10, 2003 Office Action **AND** the Supplemental Office Action of August 20, 2003 reset the date for response due to a Patent Office error in the Form PTO-892 included with the February 10, 2003. Consequently, the Patent Office should consider Applicant as having properly responded to the Office Action of February 10, 2003, as well as to the Supplemental Office Action of August 20, 2003. In view of the foregoing, consideration and allowance of the instant application are respectfully requested.

Respectfully submitted,

Jeffrey L. Costellia
